Long-striding Amby Burfoot,
representing the Mohegan Stri-
ders, accepted the first place
trophy for the fifth time.

boston '73

The new marathon champions choose NIKE. At Western Hemisphere, Trail's End, and Boston, the winners wore the NIKE "Obori," the shoe whose first prototypes took four of the first seven places at the 1972 U.S. Olympic Marathon Trials in Eugene, Oregon.

Renamed "boston '73" in commemoration of its latest victory, this model has come a long way since Eugene. Featuring a newly compounded outer sole for extra racing life, the "boston '73" has wrapped its nylon swooshfiber upper around the most complete ball-to-heel instep support found in any running shoe, and added a SPENCO® innersole for extra comfort and blister protection. (NIKE is the only running shoe in the world to give you a built-in SPENCO® at no extra charge.)

Only \$18.20 plus \$1.50 for postage and handling. Team discounts to schools or clubs on orders of 5 or more pairs.

MANCHESTER, CONNECTICUT
FIVE MILER TO AMBY BURFOOT AGAIN
EDGES VITALE TO NOTCH THIRD STRAIGHT WIN
RECORD CROWD OF 12,050 WATCH 538 FINISH
HOLIDAY RUN (Thursday, November 22, 1973)

Almost a carbon copy of a year ago was the 37th Five Mile Road Race Thanksgiving morning over Manchester's paved streets when tall, long-legged, methodical running Amby Burfoot nipped John Vitale in what developed into a two-man race.

Thanks to a break from the weatherman, with the sun shining and the temperatures in the low 50s, a record crowd of 12,050 turned out to see 538 contestants finish the grueling run, a new all-time record. There were 400 official pre-race entries and 148 no-shows, including little Johnny Kelley. However, there were nearly 100 unregistered runners, about 50 per cent females. The race was for men only.

Burfoot, winning for the fifth time, tied the all-time consecutive record of three when he broke the tape in 22:20.1, nearly five seconds and about 40 yards ahead of Vitale. Burfoot set a course record a year ago when he breezed around in 22:21, then he was 18 seconds slower than in 1972.

Vitale, 21, a former University of Connecticut standout, now an elementary school teacher in Madison, has been second best in each of the past three years following a victory in 1970.

The 6-1, 145-pound, 27-year-old Burfoot, home on an emergency leave from the Peace Corps to San Salvador, matched the previous record of three in a row set by Joe McCluskey in 1936-37-38 and equaled by Johnny Kelley in 1963-64-65.

The early leader was Charlie Duggan, the sensational Springfield College runner and current NCAA cross country champion, but by the time the first half-mile marker was reached, Burfoot and Vitale started to wage their elbow to elbow duel that lasted until the final quarter mile. During this stretch, first Burfoot would shoot out by several yards and then the 5-7, 135-pound Vitale would catch up and take over in the cat-and-mouse game.

It wasn't until the pair reached the Center, coming off East Center Street, that Burfoot unleashed his little extra and forged into a 20-yard lead. This advantage he never relinquished as he drew tremendous applause from the spectators, many standing 10 and 15 deep from St. James Church to the finish line.

Once in the lead for good, and starting near the Macy Chasey Library, Burfoot kept glancing over his shoulder at Vitale who just couldn't match strides with his taller rival.

Vitale was timed in 22:41. Finishing a strong third was Steve Flanagan, another former UConn runner, now cross country coach at Rhoads High. He was clocked in 22:55 while Ray Crothers, winner of the Five Miler in 1965, was fourth in 23:07. Bill Rodgers, like Burfoot, an ex-Wesleyan University standout, was out in line at 23:15 with sixth place going to Bob Hodge of Lowell, Mass., in 23:17. Duggan was seventh in 23:24

and Bruce Clark, University of Connecticut's Standout varsity cross country runner this fall, was eighth in 23:25. He was the first schoolboy a year ago to place. Ninth spot was garnered by Rick Bayko of Merrimac, Mass., the reigning New England 30 kilometer AAU champ, in 23:30. Rounding out the top 10 was Chris Chambers of the University of Massachusetts in 23:43.

The first 25 finishers made the prize list with the top three schoolboys also getting awards as well as the first three masters, 50 and over. Vince Fandetti, Charlie Robbins and Bob Gardner gaining the awards. For Robbins it was his 20th appearance in the past 29 years and 12th in succession. He was the only runner who completed barefooted.

The first schoolboy was Jerry Whitaker of Torrington High, a sophomore who was 15th. Bill Jacob and Steve Lamb were the other leading schoolboys.

Mayor John Thompson handled the presentation of awards at race headquarters which were set up at the East Side Rec.

Will Hadden served as general chairman for the sponsoring Natung Forest, Tall Cedars of Lebanon. All proceeds collected before and during the race will be turned over to the Muscular Dystrophy Fund, national objective of the Cedars.

It was a great race from start to finish.

Jotting from the Road Race

Biggest man among the starters and finishers was John Costello, the former University of Connecticut football player who went in to play with the New York Giants in the National League. The one-time defensive tackle has slimmed down from 290 to 250 pounds. He's teaching physical education at Fitch High in Mystic and coaching girls' cross country.

Thanks to Bob Kennedy, varsity track and cross country coach at UConn, and his capable assistants, including his son and daughter, the complete results of the race - all 538 official finishers were tabulated and posted for those interested.

"This was just a perfect day to run," veteran Charlie Robbins said. The 52-year-old practicing physician, in semi-retirement, noted that the conditions were just ideal. He has taken part in more than 700 sanctioned runs, running about 12 a year now, one a month average. He started out in 1938 while a student at Manchester High under Pete Wigner's coaching. He has captured a dozen national long distance titles in his day and twice won the Five Miler.

"I was more than satisfied with my time and placement today," handsome Ray Crothers said. The former Central Connecticut State College runner paced the field in the 1965 run, winning in 22:56. Yesterday he was timed in 23:07 and had to be content with fourth place, a most respectable finish when one considers the caliber of the field.

"Billy Rodgers should have been the pre-race favorite," Amby Burfoot said. "He overslept and was not ready mentally to run," he added. Rodgers, like Burfoot a Wesleyan product, was 10th. Rogers won the National 30-kilometer championship last September.

First Manchester finisher was Mike Auletta, who placed 12th. Auletta, 21, is a member of the track and cross country teams at Holy Cross college.

Burfoot, a member of the Peace Corps for only four months and stationed in San Salvador, was able to get home on an emergency leave following the tragic death of his father two weeks ago in an auto accident in Glastonbury.

He's sure in good company in the Three Straight Five Mile Win Club. Only two other men have turned the trick in 27 races. Joe McCluskey took in 1936-37-38 and little Johnny Kelley in 1963-64-65. Mc Cluskey also won in 1947.

Tony Diamond, D.C. Harriers, 60:50; 35. Clyde Peterson, Greenbelt, 60:59. (63 starters, 62 finishers)

Notes... This race came after more than a week of terrible (alert-level) air pollution in the D.C. area. Somehow, about an hour before racetime, the smog took time out for rainshowers. It rained during most of the race - a very welcome relief. Fults, Rincon & Karlin went into the lead early. At the halfway mark Rincon & Karlin were several seconds ahead of Fults. But Jack pulled up to them and went on to break the course record by half a minute. The Washington Sports Club won the team prize. --Bob Thurston--

HUDSON-MOHAWK ROAD RUNNERS CLUB

On October 18, twenty five runners turned out on a
cool fall day for either a three or a nine mile race.
Jim Shrader was almost a minute and a half in front of
the second place runner Paul Rosenberg in the three
mile. Jim Also ran a five mile race in 25:24 the day
before for the Albany State cross-country team. In the
nine mile run Dan Larson beat second place finisher
Gary Furlong by a half minute.

PIGTAILS RACING TO A DREAM

A 10-year-old San Francisco girl has a running start
on her lifetime ambition to become an Olympic long
distance gold medalist. Against all runners of both
sexes.

On Sunday, August 26th, pigtailed Mary Boltano show-
ed what she could do.

Clocked in at 57 minutes and 43 seconds- WITH A 15-
MINUTE HANDICAP- she was first in a field of 1213
finishers in the 6th running of the hilly 6.8-mile
DIPSEA RACE from Mill Valley to Sausalito Beach.

"I felt real proud winning," said the bespectacled
fifth grader at the Most Holy Redeemer School in Dia-
mond Heights. "I was just sorry I had to beat my
brother, father and mother to do it."

Her brother Michael, an 11-year-old veteran who has
won the event the past two years, came in second.
Her father John, 51-year-old co-owner of the Atlas
Screw Machine Products Co., finished 39th. Mary,
her mother, was 702nd in the roller coaster run.
In huffing across the finish line, the Noe Valley girl
became the first female ever to win the event.

"Oh, it was nothing much, really," said Mary, alrea-
dy holder of the world record in her age category for
the 26-mile marathon in Burlingame in June (Nat'l.
AAU Championships). She covered the Burlingame
course in 3 hours and 26 minutes.

"I was really in shape for this race. After all, I've

10-YEAR-OLD MARY BOITANG

"It was nothing much" she said of winning the Diposa Race

been running since I was 4 1/2 years old. . . I've always been faster than any of the neighborhood boys who have tried to catch me."

FAMILY

Going the long distance has always run in the family, she said.

Her father took up the sport when he was in training as a parachutist with the Army.

"I found that I never caught a cold when I was running," he said during an interview at the family home at 3875 21st street in San Francisco. "It's a great way to keep the kids healthy."

"They used to be very sickly when they were first born," said his wife. "Michael was always having colds and ear infections. And Mary would catch everything from him. Now they're in perfect health."

Most Saturdays, starting at 7 a. m., the whole family--including Melinda, their 23-year-old daughter takes a 20-mile run from their home to Twin Peaks, down Sloat Blvd. to Lake Merced and then back again.

The persistent pace has brought the family 92 trophies. Mary, alone, won seven in various classifications with her Diposa showing.

"That was the most I ever got for a race," she said.

And how did she manage to beat everybody in eight--men in their prime, women twice her age?

"I got lots of exercise beforehand and I made sure I ate the right things for breakfast the day of the race. All I had was some scrambled eggs, a little cereal and wheat germ oil for Vitamin E."

One thing she kept away from during training was her

favorite loaf--fudge brownies and rocky road ice cream.

"If I'm running it gives me a stomach ache," she said.

"She's a typical little girl except for those racing legs of hers," her mother chimed in. "She's a nice girl, too--straight A in school. And she doesn't run away when there's dishes or housework to be done."

Mary said she really enjoys the thrill of competition. She's in her glory, those arms of hers swinging along in rhythm, her little chest gasping for air. Not for her the so-called loneliness of the long distance runner.

"I don't feel lonely at all," said the 4-foot 4-inch, 60-pound runner. "When I'm running with my father and brother, we carry on conversations. We talk about how we're doing and who we're going to beat. Oh, it's real nice."

who won in 1972, had a ten minute lead at the half-
way mark with a time of 2:41:35, he was still leading
with only two miles left! Alistair Wood, 2:13:42
marathoner from Great Britain, who won the 1972 Lon-
don to Brighton & was sent to South Africa by the Brit-
ish R.R.C. dropped out with leg cramps at the half-way
mark. This is the major Socio-Sporting event in South
Africa each year. It's more than just a race--fantastic
press and radio coverage compared to other world
class races.

GIL KEMP WINS 5.8-MILE STAMFORD ROAD RACE

Stamford, Conn., Sunday, Oct. 14- Twenty-three-year-old Gil Kemp won the Fifth Annual Stamford Road Race sponsored by the Board of Education & Recreation. Kemp outran a record field of 78 starters with a winning time of 30:18. He finished 7th in last year's race in 1972. Though running 57s faster this year, he did not threaten the course record of 28:25. 5 set in 1959 by Amby Burfoot of Groton Long Point, Conn.

Kemp became the first Stamford resident to win the race which began in 1949. Kemp is the 1973 Metropolitan AAU 15km. champion and also has a 4:14 mile and 9:04 two-mile to his credit. Kemp finished over a minute ahead of runner up John Stopa of the Fairfield County Striders. Under the City's sponsorship the race was the biggest and best race thus far. Trophies were numerous and refreshments were served.

LARRY RUSH WINS MIDDLE ATLANTIC AAU X-C

Blackwood, N. J., Sunday, November 18th 1:30 P. M.
Larry Rush, former Clemson University ace now representing Sports East, won the Senior Middle Atlantic AAU cross-country championship over a shortened 10,000m course (all runners missed a loop in the woods) in 26:21 (approx. 5.3 miles) in a fine competitive race with teammate George Dean, a Lafayette College freshman, who was a mere 3 seconds back at the finish.

Rush, a Salem High teacher, led throughout with Dean in close attendance.

Sports East, bolstered by three top South Jersey high school runners (Joe Germano, Pennsauken HS, Dave Schemella, Gloucester HS & John Shilby, Overbrook Regional HS) won the team title with 32 points to 57 for Jack Pyrah's Villanova AA.

Mrs. Suzy Buchanan of Phoenixville, Pa. won the 1st Middle Atlantic AAU Women's championship over a 2.5-mile course in 14:26.4.

Both races were staged over the wooded, sandy Camden County College course in ideal, 45° cross-country weather. The races were sponsored by Dr. Edward Rab in memory of his father Harry Rab, a former area long distance runner.

Racing Notes... Bill Haviland, running under Knoxville TC colors, really burned up the Cherokee Bluffs road course despite cold temperatures and the very difficult terrain. Haviland's 55:34 performance was good enough to get past runners-up Randy Oliver, a high schooler & Bill Neely, both of whom were timed in 59:55. The winner took command at about the three mile point and ran in front for the rest of the distance. He finished about 2/3 of a mile ahead of the second place winner. His running time was fast enough to overcome a 5-min. time allowance and give him the best handicap time in the competition along with the fastest time. The race began and ended on the University of Tennessee track where awards were presented after the contest to the top finishers. The event was the second in a 13 race series of Fall-Winter competition to be held in Knoxville and sponsored by the Knox. TC. --Hal Canfield--

TOM DERDERIAN RETAINS NEAAAU 25 KILO CROWN

Marlboro, Mass., November 4, 1973- Modern running theory seems to stress that too-frequent long distance racing is detrimental to good results. Then along comes Tom Derderian, little Armenian from the North Medford Club to throw dirt on the theory.

Running his fifth race in 29 days beyond 15 kilos, all of championship proportions, the heavily-bearded gremlin strode to the New England AAU 25km title. Perhaps most surprising is that in none of the other four races did he come close to winning, and the fourth of the 5 was a 2:31:00 marathon. He should have been crawling or home in bed, not winning.

In topping the 78-man field Derderian became the first successful defender in some years at this distance. Last year he won when the race was held in Springfield, Mass.

Derderian took the lead from Rick Bayko late into the second lap of the three lap course & led by a mere 10y at the end of lap two. Bayko stayed in the fight during the late goings but fell back as Derderian pulled away on the hills. On the flat stretch into the finish Rick again threatened, but when he got within 10y of pulling even Derderian poured on the hot coals and finished 15s ahead in 1:19:51. The course measured out to 14.89 miles (24 km.)

The North Medford Club, besides getting the 1-2 placers, got 5th, 8th, and 10th to dominate the team scoring. 1. Tom Derderian, NMC, 1:19:51; 2. Rick Bayko, NMC, 1:20:06; 3. (83 finishers)

Notes... Richard Verano handily captured the handicap race on the 2.9-mile sidewalk course. Fast time honors went to Lee Courkamp, with a good 15:07 effort, bettering the course mark of U. of Colorado cross-country ace Roger Hansen, who ran a 15:14 in March of this year. A former Denver Bronco pro-football player even participated in the run, as Jack Geburke clocked an amazing 18:43. Can any pro footballers top that? The fastest woman was Marcia LeMire, with a great effort of 20:58!

LEE COURKAMP CAPTURES RMAAU 30 KILO TITLE Fort Collins, Colo., Sunday, Oct. 28, 1973- Former Denver University trackster, Lee Courkamp of the Colorado TC, was victorious in his quest of the Rocky Mt. AAU 30km championship. On a fast, flat course, Lee clocked 1:48:32 in his winning effort. Sophomore John Bramley of Colorado State University finished in second place just 38 seconds back. Weather was ideal: 60 degrees & sunny.

1. Lee Courkamp, CTC, 1:48:32; 2. John Bramley, CSU, 1:49:10; 3. Ken Young, UCTC, 1:53:52; 4. Don Morris, RMRR, 1:54:26; 5. W.M. Welch, CTC, 1:58:27; 6. Roger Wilcox, 45, SCS; 7. 1973 ROCKY MOUNTAIN AAU 10,000 METERS X-C CHAMPIONSHIP, Belmont campus of Southern Colorado State College, Pueblo, Colorado, Sat., Nov. 10, 1973 Sponsored by the Pueblo Jaycees and S.C.S.C.

The U. of Colorado Buffaloes swept the first three places and finished with a low score of 24 points to win the 1973 version of the Rocky Mountain AAU X-C Championships. Heading up the strong contingent from Boulder was ex-Centennial HS ace, J. J. Griffin, who pleased his hometown fans with a fine 29:47 over the rugged course. Griffin recently placed 5th in the Big 8 Championship. If the Pueblo yearling can stay healthy and avoid injury he can become a great one. The course was cut short by almost 800m, due to a mistake by an inexperienced course official. So the course record of 33:55.4 by Richard Trujillo in 1972 still stands even though eight runners bettered that time this year.

Two overall sets of awards were presented by the Jaycees. One for those 20 years of age and over, (Seniors) and one for those 19 years and under (Juniors). Also, various sub-divisions within these divisions were honored. Team Scoring: 1. U. of Colorado 24; 2. Colorado TC, 32; 3. Southern Colorado Striders, 92; 4. Denver YMCA, 110.

WHAT IS THE ROAD RUNNERS CLUB OF AMERICA?

IF THERE IS NO ADEQUATE PROGRAM OF DISTANCE RACES IN YOUR AREA, OR IF COOPERATION AND COMMUNICATION BETWEEN RUNNERS IS LACKING, THE ROAD RUNNERS CLUB OF AMERICA IS THE ANSWER. THE RRCA IS AN ORGANIZATION OF RUNNERS AND OF CLUBS INTERESTED IN HOLDING RUNNING EVENTS. RATHER THAN BEING A CLUB WHICH YOU REPRESENT IN COMPETITION, THE RRCA AND ITS CHAPTER CLUBS CONCERN THEMSELVES WITH PROMOTING THE SPORT AT ALL LEVELS. MOSTLY THIS MEANS PUTTING ON RACES. AT PRESENT THERE ARE ABOUT 20 CHAPTER ROAD RUNNERS CLUBS AROUND THE COUNTRY, FROM BOSTON TO HONOLULU. MOST OF THESE CLUBS HAVE RACES FOR ALL COMERS NEARLY EVERY WEEK OF THE YEAR.

PEOPLE WHO BELONG TO A CHAPTER RRC ARE AUTOMATICALLY MEMBERS OF THE RRCA. FOR RUNNERS WHO HAVE NO RRC IN THEIR AREA, THE RRCA HAS A MEMBER-AT-LARGE CATEGORY. DUES FOR MEMBERS-AT-LARGE ARE \$4.00 PER YEAR. THIS ENTITLES YOU TO (a) THE RRCA QUARTERLY NEWSLETTER "FOOTNOTES," (b) PARTICIPATION IN THE 10 ANNUAL RRCA NATIONAL POSTAL DISTANCE-RUNNING CHAMPIONSHIPS, (c) ENTRY INTO ANY RRC RACE AT THE REDUCED MEMBER RATE, (d) A QUARTERLY RACE SCHEDULE LISTING ALL THE RACES IN YOUR PART OF THE COUNTRY, AND (e) ELIGIBILITY FOR RRCA ACHIEVEMENT CERTIFICATES. FOR A MEMBER-AT-LARGE APPLICATION, WRITE NORMAN LEE, JR., TREASURER RRCA, 3935 WEST SHORE RD., EDGEMATER, MD.21037.

YOU CAN MAKE A MAJOR CONTRIBUTION TO DISTANCE RUNNING AND/OR JOGGING IN YOUR HOME TOWN BY HELPING TO START AN RRC. ALL THAT IS NEEDED IS A FEW INTERESTED RUNNERS. ESTABLISHING AN RRC WILL BE ONE OF THE MOST SATISFYING, ENJOYABLE AND WORTHWHILE EXPERIENCES OF YOUR LIFE. IMAGINE WEEKLY OR BIWEEKLY EVENTS, FOR EVERYONE TO TAKE PART IN. WOULDN'T THAT BE GREAT? IT'S NOT HARD TO DO, AND THE RRCA WILL PROVIDE YOU WITH STEP-BY-STEP SUGGESTIONS ON HOW TO PROCEED. FOR INFORMATION, WRITE TO GAN WILLIAMS, PRESIDENT RRCA, 8605 ACORN CIRCLE, VIENNA, VA. 22180.

Tom Donohoe of North Jersey Striders completes 5.18 triumph in National AAU 3000-meter team race yesterday at Freehold Raceway track, edging NYAC's Dick Buehler (right). Placing third and fourth were Philadelphia Track and Field Club's Karl Thomson (left) and Walt Hawkins. NYAC retained team title. (Fines (Photo).

NYAC, Shore Go 1-2

FREEHOLD — The National AAU championship 3000-meter team race, staged for many years at New York's Van Cortlandt Park, came to New Jersey for the first time yesterday but it was the same old story — New York Athletic Club runners winning again.

"We've won at least five or six years in a row now, but I can't say for sure," said NYAC track coach Jim Buckley after his team triumphed with a low five-man score of 28 points in the 1,800-mile test staged at Freehold Raceway.

Shore Athletic Club, which helped stage the race in cooperation with Raceway officials, wound up second in the team scoring with 41 points while the North Jersey Striders scored the third-

place medals, ahead of a Shore AC B team.

Shore AC then regained the second place it took in this race in 1972 before relinquishing that spot in the Striders last year.

In the individual race, Strider Tim Donohoe, former Manhattan College star now teaching and coaching at Morris Catholic High, pulled a major surprise by leading NYAC's Dick Buehler to 8:18.

Buehler is a sub-four minute miler and ran second to Steve Prefontaine in June's National AAU three-mile race at Bakersfield, Calif., as a prelude to a European tour with the U.S. National team.

Philadelphia Track and Field Club's Karl Thomson and Walt Hawkins nabbed the 2-4 places but their club failed to register a team total when

fifth man Ken Ashworth dropped out with an injury.

Harry Nolan and Bill Schell ran 8-9 to get Shore AC going. Tom McLoone's 10th, Dave Hudson's 17th and Tom Buckley's 18th completed their second-place scoring.

Fifth man in the NYAC was Don Rows, former Freehold resident and ex-CBA and St. John's University star now living in Fort Orange.

As Prefontaine Goes, So Goes Oregon but Britain's Rose Keeps Drama High

"Go Pre!" roared across Hangman Valley Monday morning.

And Pre went. In the words of Nick Bosa, "like a shot."

It didn't happen until the last mile of the 20th NCAA Cross Country Championship, on Hangman Valley Golf Course, but Pre — that's Steve Prefontaine, University of Oregon senior — powered away from Britain's and Western Kentucky's Rose to a smashing victory in his final collegiate run.

With it, he helped deliver to Oregon an easy team championship.

It Was Bosa

The Ducks, led by freshman Terry Williams and Dave Taylor, who finished 2nd and 30th ahead of veterans Sandy James and Gary Barger, had the team race to hand most of the way at foot. Washington State sagged and never challenged and Rose's WCU team exposed problems of balance. Oregon totaled just 37 points to 107 for surprising Texas-El Paso and 110 for WCU.

But Pre, incredibly, seemed in danger of losing his bid for a third cross country title.

Rose, a sophomore from Britain who has had a brilliant season, led almost all the way from the first mile to the finish.

At the halfway mark, Rose led by 20 yards and after Pre closed up with a charge on a hill just before four miles, Rose spurted away to an advantage variously estimated from 20 to 25 yards.

"It was the farthest behind I've been in a race since at least 1969, when Gerry Lindgren beat me in my first NCAA," Prefontaine said later.

But he added, "I thought Rose had gone out too fast — 6:17 for the first two miles is something — and I knew that I was coming in the strongest part of my race."

He Was Ready

So he was. And, just when away in the crowd began to think Rose might indeed hang on, Pre started coming. Early in the fifth mile, along the 10th fairway, Pre edged ahead.

Rose held tough and they battled it together down the slope to the bridge behind the lake, now barely half a mile from home. Pre had a slight edge off the bridge, but Rose was close.

"I was still with him then and really thought I still had a chance," Rose said later.

"But then we started coming past the people, and they started yelling, 'Go Pre.' Wow — he went like a shot! He led me there."

Prefontaine, in a performance that epitomized his gutsy and confident style, indeed punted it on. "I really charged that last mile, but before the finish — and I know I had him then," Pre said. "I think I could have walked in from there."

His time was "only" 28 minutes, 14.4 seconds, 14.4 off the most recent he thought he might break, not really indicative of the "fast" rating to the course.

But Pre, Rose and almost all of the runners complained about the cold — 25 degrees on an otherwise bright, sunny morning.

Second Crowd?

The cold, the shorter date, the morning hour did not prevent what may have been an NCAA record crowd — an estimated 4,500 crissed the 6,774-ft. International powered course.

Pre and Rose made it a two-man race after about two miles, when WCU's John Nyeau dropped off the pace. Complaining of the cold and tightness, Nyeau eventually slipped to third.

Defending champion Ted Coats of East Tennessee and Eastern Michigan's Gordon Keady, moved out from the pack in the final two miles and weren't far back at the finish. Keady claiming third in his finishing kick. Rose timed 28:26, Keady 28:31, Coats 28:38.

UTEP's Walter Wilson was a surprising fifth, moving up relentlessly through the last half, ahead of Indiana's Pat Handera, Tennessee's Doug Brown and Division II champion Gary Heston of South Dakota State.

Nyeau, sixth, and Don Murphy, an All-American again despite his wankover finish, 10th, led WCU to third. It was fourth for a while but Western Kentucky, which had Tony Bawings and Chris Riffle, two other contenders, in the top 11, dropped down second to seventh when Bawings was disqualified for coast-guarding.

UO Frosh Williams, Taylor Make Sure of Team Victory

looked back and there were only two runners behind me. Coach yelled at me to pick it up. I ran a 1:04 first mile but gained ground with a 4:29 second mile."

Taylor paused for a moment and signed an autograph for a young volunteer. "Hey, look at this," Taylor said. "I got to sign next to Pre. That's my best autograph — Gee, it's great to be champs."

The two runners both thought they could have done better. "I just didn't believe in myself enough," Williams said. "I need a few races like this to build my confidence. It's like starting high school again. I think this race will give me a boost."

Taylor added, "I thought I would hold back at first and try to pass the pack near the end. But the field was too

strong out. I waited too long. Hey! Now I'll know what to do."

Neither Dellinger or Prefontaine were surprised by the efforts of the two frosh. "Big No, I wasn't surprised," Pre stated. "These two guys are tough. I mean really tough."

"They're confident kids," Dellinger added. "Maturity is one of their strong points. It doesn't surprise me at all."

"We had a team effort and we had only two kids off this team. And we have a few boys back in Eugene ready to make varsity bids."

Dellinger continued, "I know we had Washington State at about the five-mile mark. But I wasn't sure about Western Kentucky and William and Gary. As for Prefontaine, even when he was trailing at the three-mile mark, I thought he would win. But —

Williams and Taylor were the key."

Despite the come-throughs, the two freshmen didn't really peak for the race.

"We came here with the idea to do our best. It just wasn't a disaster type of thing."

Taylor agreed: "I like not having the pressure. Coach says everything we get in cross country is just a bonus."

The national championship is an impressive bonus.

Roomies Get 21st and 30th

Steve Prefontaine attracted the mob, but two freshman footbalists were the heroes in Oregon's NCAA Cross Country championship Monday at Hangman Valley Golf Course.

California's Terry Williams and Dave Taylor charged from behind to finish 2nd and 30th — second and third for the Ducks — to earn the race in Oregon.

Williams, from Lompoc, a former Spokane athlete, was the California prep 2-mile champion while Taylor, from Harrow, finished second.

Dellinger Delighted

The two happy Ducks were led by their teammates, especially Prefontaine and coach Ed Dellinger.

"I feel good about everything," Taylor kidded, "except you I have to thank to my roommate about — he made All-American and I didn't."

Williams also felt short of a goal. "Sure it, I wanted to beat Craig Virgin. Anytime I lose to him the race is not a success," Williams chuckled. Virgin and Williams became good friends while teammates on the National Junior Track Team. Virgin, a freshman at Illinois, finished 20th and has been called the "next Prefontaine" by some track observers.

"You should have come to Oregon," Williams chuckled at Virgin. "We're national champs."

Virgin replied, "That's okay Terry, I'm still out to do you."

Allergies Improve

Williams has been hampered all season by allergies. "The allergies have been up and down apart. It left my feet raw. But it finally improved this week."

Both Taylor and Williams got terrible starts but after three miles they had worked up to good position. "It was horrible," Taylor said. "I

Pre Runs Down Rose Near Finish

By NICK RILEY

Editorial Board Correspondent

To most of the 4,000 spectators at Minsky's 20th NCAA Cross Country Championships, the focal point, the race in effect, centered on Dave Prefontaine and Nick Rose.

Rose, running a determined and aggressive race, almost stole the third, and final title that Prefontaine was chasing. But Pre, if you'll excuse the expression, far awhile looking like a sitting duck, made his big effort, in stride, during the last two miles.

Two days prior to the meet he explained, "I'll make my big move in the last mile and a half. That is always the strongest part of my race."

True to form, Pre ate up a 75-yard deficit, then pulled away Don Rose in the final three-quarter mile. Rose, probably feeling the effort from the fast early pace, did not seem disappointed at his effort.

"I was dreaming out there," he said. "I expected Pre to catch me, but I was dreaming for awhile."

For Prefontaine, it confirmed most pre-race predictions, although his supporters must have wondered about Pre's overconfidence last week.

"I bet Rose was out to catch," was Prefontaine's assessment of Rose's tactic, but Prefontaine, coolly execut-

ed his driving finish and created the last 100 yards.

The story of the meet, however, does not end with Prefontaine and Rose. Neil Coe, the defending champion, fought Eastern Michigan's Gordon Nixie for 1/2 mile, then succumbed to Nixie's final sprint to finish fourth. Coe, sick, fighting minor nerve problems and a host of other injuries, looked calm and undisturbed for a man who had just run six miles.

The Washington State Cougar, expected to battle Oregon for the USA, wound up a distant third. John Spore, who was expected to challenge Pre, hung on the champion's

shadow for 1/2 mile, then fell from third to sixth, clinching the steep grand hill at 1/2 mile. John, disappointed by his run, complained that his legs felt tight from the cold.

Another disappointed runner was Don Murphy, Murphy, moving up throughout the race, finished 10th to obtain his third All-American certificate in as many tries. After a fourth in 1971 and a 10th in 1972, Don was not pleased by his placing.

"I was running fast-out the whole way," he said. "I wish that there had been more hills. I suffered from a side-grip from the start, but overall, I wouldn't have run any better."

Don Clark, Cooper team captain, also suffered the stomach problems that have plagued him since last spring. Dale Fleet, title man for WSU, was the key player if WSU was to upset Oregon's Fleet, however, was unable to get within range of Oregon's fourth and USA man, Dale, all of the pressure, seemed relieved to have the meet over.

The keys to Oregon's team success were two freshmen, Terry Williams and Dave Taylor, 2nd and 3rd.

W. Kentucky Debut

Williams, a relative novice in national competition, also pointed out that "the Oregon freshmen didn't hurt, like John Chaplin predicted we might. That makes me happy."

A total of eight different teams placed two men each in the top 20. The spread between the second and third runners was too great for the other seven teams to pose much of a threat to Oregon.

For a time it looked as if Western Kentucky might upset the Ducks. Besides Nick Rose, WKU's Tony Burroughs finished 17th, and Chris Miller, 17th. Burroughs, however, was disqualified for cutting a leg of a man.

Tony, in tears, felt he had been robbed. "There was no head wind of up together at that point. I didn't see the flag. I certainly would not have cut intentionally. Why did they pick me out?"

From pre-race instructions anyone riding the course was to be called back, or pulled off the course.

"No one told me I cut. I didn't even know until the end. I'm not worried about me. I had no head about my team." The disqualification moved Virginia Kentucky from second in sixth, and kept South-west from receiving a medal or an All-American award.

George Galt Probe

The course, Don said points of view, was well-covered. Prefontaine's 20:24.2 did not break his 20:08.2 record set at Williamsburg, but did it approach the 27-40 that he had thought he might run. Many runners complained of the cold and this may have hindered some performances.

However, the quality and depth of the times was good. Don Murphy, 10th in 20:27.7, was six places but a mere 1/2 second away from the top 10. The surface, Don as expected, posed no problems, but the hills, although low, were tough.

John Chaplin, in trying out the course, jotted out the route that seemed best suited to all abilities and especially 1973's might have moved Murphy up a few places, but could possibly have moved others down the list.

Although most of the top 20 went to form, there were a few surprises. Virginia Wilson, University of Texas-El Paso moved up to 20th. For a 1972 title of Oregon State appeared to have caught at least 100 runners to take the 10th position. Apparently losing the

tearage, Hills stopped, then shortcut to rejoin the race. However, he said that he had not intended to deceive the judges.

Then ended the 20th NCAA.

Oregon Country Championship. For Prefontaine, it was confirmation of his complete domination of college running.

Nick Rose perhaps summed it up for himself, the Cougar and a host of other runners?

"I used my best. There is always next year."

Running shoes wear out from the ground up. Now you can replace them that way.

tred₂

Let's face it. Good running shoes are an expensive proposition. Important yes. But considering that you may well go through two-and-a-half pairs every year, well, at today's prices you figure it out. And the maddening thing is that, usually, when the bottoms start to go, the rest of the shoe is just starting to become a part of you. Nice and comfortable. With plenty of life left.

We're the American Athletic Shoe Corporation. And we've got a better way to go. Better than continually shelling out for new running shoes. And better than fiddling with messy, makeshift and haphazard "shoe salvation" kits. That better way is called TRED 2. And what it is, quite simply, is an exclusive new process that replaces your worn-out soles with factory-fresh originals. Adidas. Puma. Nike. Tiger. Treform. Hummel.

We know about runners. And we know about their footwear. We know how long it takes to break in a good pair of shoes. And how a worn or improperly repaired shoe can result in serious injuries. That's why when you send us your shoes, for a few days anyway, they become our shoes. And we treat them that way. We carefully examine the soles.

Then rejuvenate them where necessary. Inside and out. The sole. Midsole. Wedging. Toe cap. Inner sole. Arch support. Right down to brand new shoe laces if they're needed.

When you get your

shoes back, resoled and reborn, they'll be as good as new. But better. Because you broke them in. And we brought them back. In fact, we're so confident about the TRED 2 process that if you're not completely satisfied with the results, just keep the shoes and ask for your money back. You'll get it. No hassle. How much for all of this? Just \$9.95.

Which isn't much anyway you think about it. So think about it. Then let TRED 2 prove itself. When it comes to running shoes, especially your running shoes, old friends are still the most comfortable ones.

Place this coupon and \$9.95 in shoe. Send to American Athletic Shoe Corporation, 111 Homer Avenue, Palo Alto, California 94301.
